

The Daily Market Report

PORTLAND, Dec. 3.—While the Liverpool market for the time holds about steady, the past 48 hours have witnessed decided development of strength in the American wheat trade, interest centering largely in the situation in Chicago, where quotations have shown a strong upward trend and where the bull operators seem to be in the ascendancy. Conditions there were reflected in an advance of a cent a bushel on all grades of wheat in the local market today.

City Creamery Butter Firm.
City creamery butter holds its own at 36 to 37 cents a pound, and the chances are that this price will prevail to the end of the year. The best grades of Eastern butter also hold up well, some selling very close to city creamery prices, and dealers say that for the present there is no overstock of either local or Eastern products in the market. No carlots were received today.

Cheese continues firm, with stocks in the hands of dealers and at Tillamook steadily growing smaller as a consequence of the strong demand north and south. No price changes were announced today.

Can You Take Your Medicine?

A man should start out in life with a firm understanding with himself that he is going to succeed; that he has undertaken to do a certain thing, and, no matter how long it takes, or how difficult the process, he is going to do it.
He should resolve at the very outset that if he fails in anything he will make the best possible use of his failure, get the best possible lesson from it; that he will make of it a stepping-stone instead of a stumbling-block. He should resolve that every setback shall ultimately prove an advance.

There is everything in stating out with an understanding with yourself that there is nothing else for you but the goal, that you are going to get there sooner or later no matter what stands in your way.
If you are only half committed to your proposition, however, if you are so loosely attached to your vocation that the least opposition will shake you from it, you will never get anywhere. "Success Magazine."

THE RULING PASSION.

The father of a family, all of whom were devotees of bridge and much given to talking the game and holding post-mortems over badly played hands, died rather suddenly. There was a difference of opinion as to whether he should be buried in the family plot or cremated. In the course of the discussion the mother said weepingly to her son:
"John, what do you think?"
"I leave it to you, mother."
"I make it sp-spades," was her reply. Ex.

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by Frank Hart and leading druggists.

PINE BLUFF SAFER.

PINE BLUFF, Dec. 2.—A more hopeful feeling prevailed tonight when the river authorities predicted that the crest of the high water would pass here by tomorrow night. It is believed that the water will reach one foot over the previous flood stage. The situation tonight is distinctly better and if the fascines or willow mattresses hold until Thursday night, the worst danger will be over. The north bank of the river caved rapidly today giving relief to the south bank of Pine Bluff and the swift current not striking the endangered ground with such force as formerly. The court house and Berlins stable are now the principal danger points. Part of the stable collapsed late today. All movables have been carried away from the court house. The situations in the rear of the Hotel Jefferson are no worse than yesterday and hopes are entertained that this structure will be saved.

Muscular Pains Cured.

"During the summer of 1903 I was troubled with muscular pains in the instep of my foot," says Mr. S. Pedlar, of Toronto, Ont. "At times it was so painful I could hardly walk. Chamberlain's Pain Balm was recommended to me, so I tried it and was completely cured by one small bottle. I have since recommended it to several of my friends, all of whom speak highly of it." For sale by Frank Hart and leading druggists.
